USPTO Serial No. 10/622,181 (Docket No. ISOT-010)

invention). The Applicant respectfully requests clarification of this rejection and the specific

language that the Examiner is using to apply this rejection.

The Applicant respectfully submits that Polk does not qualify as appropriate prior art

under 35 U.S.C. §102(b) as Polk does <u>not</u> disclose (expressly or inherently) all of the features of independent Claims 8, 17 and 23. Therefore, Applicant respectfully submits that independent

Claims 8, 17 and 23 are patentable over the cited reference for at least these reasons.

Accordingly, Applicant respectfully requests that the Examiner withdraw the outstanding

rejection as applied to independent Claims 8, 17, since the application is in condition for

allowance.

D. CONCLUSION

In light of the foregoing amendments and remarks, early reconsideration and allowance

of this application are most courteously solicited. Should the Examiner consider necessary or

desirable any formal changes anywhere in the specification, claims and/or drawing, then it is

respectfully asked that such changes be made by Examiner's Amendment, if the Examiner feels

this would facilitate passage of the case to issuance. Alternatively should the Examiner feel that

a personal discussion might be helpful in advancing this case to allowance, they are invited to
